

Boat Up Your Business

An all-in-one boat rental
management system

About our Product

BoatUp is an easy-to-use boat rental management system, with the option of website design for your boat rental business. The website gives your clients the option to directly book a boat and make the payment in your own Viva Wallet account. Browse our packages and choose the one that best meets your needs.

→ Boat Rental Management System

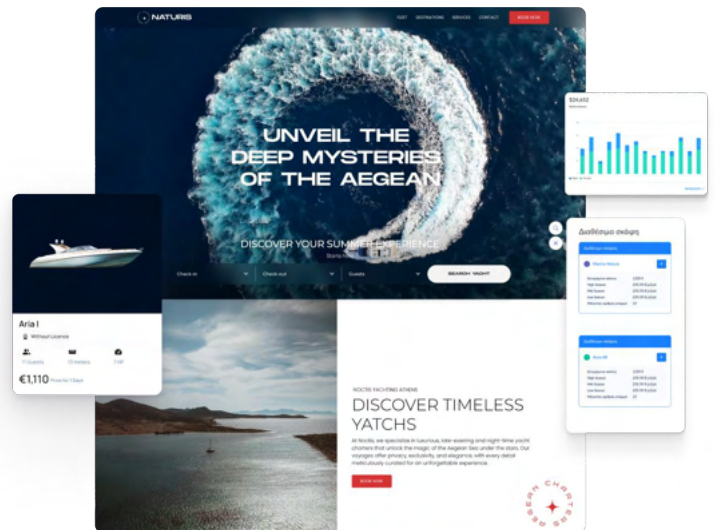

All the main features of managing and organizing a boat rental business in one platform

→ Booking Page

Integrate a personalized link (our booking page) to your website for online bookings and payments.

→ Website Design

We design a fully functioning website (custom or template), customized to your needs, connected to the BoatUp API.

Boat Booking and Management

You can easily view, edit, cancel, or update all your bookings with just a few clicks. BoatUp's management platform makes it simple to handle multiple reservations, instantly showcase your available boats, and stay in complete control of your bookings. The best part? It keeps everything organized, prevents double bookings, and ensures top-notch customer service every time.

Add Boat

Form for adding a boat with fields for Name, Color (CAL), Time Slot, High Season Price, Mid Season Price, Low Season Price, and checkboxes for Mandatory Skipper and Online Availability.

- Sat
- 7:45 π.μ. Juan Lopez - Cruise
 - 8:25 π.μ. Manolita - Sailboat
 - 10 π.μ. Sarah Johnson - Boat
 - 11 π.μ. David Kim - Ship
